

OTech Annual IT Security Awareness Fair

Teri Takai

State Chief Information Officer

10/21/2009

California's IT Landscape

A light gray outline map of California is centered on the slide. A small gray star is placed on the map, indicating the location of the state capital, Sacramento.

Executive Branch
12 Agencies with 67 Departments
24 Offices, Councils, Commissions and
Boards
8 Constitutional Offices
Approximately 130 CIOs
Estimated 10,000 IT State Employees

MAY REVISE

Revised Budget Options

5/9 - Our revised budget hinges in part on the outcome of the May 19 special election, and the Department of Finance has been updating our revenue estimates and taking into account new costs, like caseload increases in health and welfare programs that always hit our budget during down economic times. This is the reality of where we are with our state budget.
