California Department of Technology

Statewide Technology Procurement Division
Staff Information Systems Analyst (Specialist), \$5,295 - \$6,963
Multiple Openings
Permanent/Full-time
Final File Date: Until Filled

Who Are We?

As *the* central IT organization for the State of California, the Department of Technology's Headquarters Office is responsible for the approval and oversight of all state information technology projects. We hold statutory authority over strategic vision and planning, enterprise architecture, IT policy, and project approval and oversight. We are committed to both transparency and waste reduction in state government.

Among other responsibilities, our Headquarters Office develops and maintains the state's Enterprise Architecture framework, and ensures the confidentiality, integrity, and availability of state systems and applications. We also develop and implement policy and direction for the State's IT program, priorities, and initiatives.

We provide excellent health benefits, generous vacation and sick leave accrual, exceptional retirement benefits, 11 paid state holidays, and two paid professional development days per year. We are located in Rancho Cordova with free parking.

What You'll Be Doing...

As the Staff Information Systems Analyst (Specialist), under the general supervision of the Data Processing Manager II, you will have responsibility for development of innovative procurement approaches and coordinate and control all aspects of complex Information Technology project and Telecommunication acquisitions in accordance with Public Contract Code 12100 for the procurement of Non-delegated IT and Telecommunication goods and services and management of related contracts.

This position is designated under the Conflict of Interest Code. The position is responsible for making, or participating in the making of governmental decisions that may potentially have a material effect on personal financial interests. The appointee is required to complete form 700 within 30 days of appointment. Failure to comply with the Conflict of Interest Code requirements may void the appointment.
